ANALYSIS OF VISITORS

The exhibition AgriTek/FarmTek Astana-2026 was visited by **5 320 people**, practically from all regions of Kazakhstan, and also from 12 countries. At the pie chart the geography of the visitors is graphically presented.

It is clear that the exhibition caused the biggest interest among specialists such visitors were 93%. The majority of the visitors have the very direct relationship to agriculture that is from the companies which profile is agricultural equipment, plant cultivation, cattle breeding, fertilizers and seeds. From the remaining visitors the majority was also attracted to the exhibition by the professional interest, they were the personnel of construction, transport and communications, commerce, financial structures and etc., which activities also cover the agricultural sphere.

At the same time the majority of the visitors were presented by the heads of organizations (directors, presidents, chairmen, head's of the farms) and the heads of subdivisions (managers, heads of the sections, departments and etc.). The exhibition also attracted lots of the specialists of agricultural branch – agronomists, engineers, production engineers, veterinarians, zoo technicians, etc. Students of Agrarian University prevailed over nonspecialists.
